

Exact heat for impeccable results

Induction helps you master any cooking technique faster and can even boil water in under 90 seconds. The heat adjustments are so subtle that they help you produce the finest tastes and textures every time you cook.

Product Benefits & Features

The hands-free hood

The Hob2Hood function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Mastering the menu.

At your fingertips

The individual touch controls in the AEG induction hob are equipped with plus or minus buttons for effective temperature control. Adjust the settings at a touch for absolute control over the cooking process. Precision for every step of a recipe, always resulting in great taste.

Clean as you cook

Because the surface around the pans stays cool as you cook, you can get rid of spills as you go along. Nothing gets burnt on, and there's nowhere for dirt to hide. So it's easy to keep the hob area looking pristine – even while you're still cooking.

- Hob without controls, for combination with oven or separate control panel
- Hob type: Induction
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Hob²Hood
- BI-Oven Control
- Add Ons Touch Control
- Induction zones with power booster function
- Pause function for short interruptions
- Illuminated controls
- Automatic fast heating up
- Pot detection
- Eco Timer
- Count up timer
- Timer function
- OptiHeat Control
- Acoustic signal with switch off option
- Child safety lock function
- Key-lock function
- Hob safety: Automatic Switch Off
- OptiFix™: extremely fast installation concept
- Ceramic glass colour: Black

Quicker heat for extra speed

No more waiting around for pots to boil. The PowerBoost button gives you an instant burst of heat that boils water in under 90 seconds* – that's even faster than an electric kettle. It's perfect for tasks like boiling potatoes, and other quick cooking jobs too, like searing meat.

Total control over cooking time

The adjustable timer (max. 99 minutes) will remind you of the cooking time. It can also be used as a minute minder when the burners are not in use.

Product Specification

Installation	Normal BI	Weight package Paper/Carton	0
Product Number Code	949 597 291	Weight package Wood	0
EAN	7332543564729	Weight package PE	0
Built in height mm	46	Weight package PP	3
Width mm	576	Weight package Polystyrene (EPS/EPP)	203
Depth mm	516	Weight package PU	0
Width cutting	560	Weight package Iron	0
Depth cutting	490	Weight package Rubber	0
Frame Colour - colour of the frame	Stainless Steel	Country of origin	DE
Hob type	Induction Full		
Type of plug	No		
Total electricity loading	7350		
Left front - Power/Diameter	2300/3700W/210mm		
Rear - Power/Diameter	1400/2500W/145mm		
Right front - Power/Diameter	1800/2800W/180mm		
Right rear - Power/Diameter	2300/3200W/170x265mm		
Voltage	220-240/400V2N		
Weight gross cleaner and accessories with packaging	11.44		
Weight net cleaner and accessories no packaging	10.74		
Package height	118		
Package width	678
